Discussion items

- Business of the Quarter – looking to bring back in March or June; Birdi will reach out to businesses, Ella will help
- Adopt-a-Spot – new signs need to be ordered, old signs picked up (median in front of Hoffbrau, Belknap)
- Reviewed event dates for 2023 – Waste Connections proclamation at 2/17 City Council meeting, cleanup on 3/25 (hot dogs, giveaways, prizes, sharps containers, order supplies)
- Clean Campus – need update form (will discuss at next meeting), announce at City Council, get out to 5th grade teachers
- GCAA was submitted on 2/16 – will await results!
- Litter Index was greatly improved over last year, but was a new route. It still needs some tweaks, but we feel the carted trash service is making a big impact

Upcoming meetings/Future agenda items

- March – Clean Campus application

Adjourned at 7:04pm
