### **Media Release - 24H19304**

On Friday, June 28th, 2024, at approximately 8:21 P.M., officers were dispatched to the intersection of NE 28<sup>th</sup> Street and Higgins Lane for a reported major accident. First responders arrived and located an adult male motorcyclist that had been struck and killed by another vehicle. The HCPD Traffic Unit was called to the scene and took over the investigation. It is still early in the investigation, but it is believed that the rider lost control and began sliding towards another vehicle who was waiting to make a turn. His motorcycle struck the stationary vehicle, but he slid into an adjacent lane of traffic where he was struck by an oncoming vehicle. There were no other reported injuries for this incident. The Tarrant County Medical Examiner's office will take control of the body and release identity information when appropriate. At this time, we have no reason to believe that a criminal act occurred. Please be respectful of the next of kin who might be reading comments during their time of loss.
