25H11186 - Arrest Made in Fatal Hit-and-Run Incident

This afternoon, Adrian Anthony Rodriguez, a 20-year-old male from Edgecliff Village, was arrested without incident in Medford, Oklahoma. He has been charged with *Collision Involving Death*, a second-degree felony, in connection with a fatal auto-pedestrian crash that occurred on Saturday, April 5, 2025, in the 5000 block of NE 28th Street in Haltom City.

At approximately 4:01 a.m. on April 5, Haltom City Police and Fire Departments responded to a call reporting an unresponsive female lying in the roadway near NE 28th Street and Field Street. Upon arrival, first responders found 54-year-old Lorelea Fox with serious injuries. Despite lifesaving efforts, she was pronounced deceased at 4:18 a.m. Investigators determined she had been walking westbound when she was struck from behind by a westbound passenger truck, which fled the scene without offering aid.

Following an intensive investigation, detectives identified Rodriguez as the suspect and located the involved vehicle, which has been recovered and is being held as evidence. Haltom City detectives traveled to Oklahoma to conduct an interview with Rodriguez, and the investigation remains ongoing. Additional charges may be filed as more evidence and witness statements are obtained.
