

NO RISE CERTIFICATION

This is to certify that I am a duly qualified registered professional engineer licensed to practice in the State of Texas.

It is further to certify that the attached technical data supports the fact that the construction/development at _____ will not impact the 100-year flood elevations, floodway elevations, or floodway width on _____ at published sections in the Flood Insurance Study for the City of Haltom City dated _____ and will not impact the 100-year flood elevations, floodway elevations, or floodway width at unpublished cross-sections in the vicinity of the proposed development.

Attached are the following documents that support my findings:

Date: _____

Name: _____

Title: _____

Signature: _____
